

# EXpress3500-B-C

## FEATURES & BENEFITS

- two-tier, functional design allows for a large capacity in a small compact cart
- rounded retro-chic design of chassis and basket provides a stylish addition to your store
- lower tray allows customers to shop for bulky or heavy items with ease
- shorter wheelbase for added stability
- narrow design and 6.81" nesting offers more maneuverability in narrow aisles and congested areas while taking up less floor space when stored
- easy branding options include logo plate and handle logo
- 5" non-marking wheels ensure that your store's floors stay clean
- wire construction is strong and offers great visibility into cart

## OPTIONS

- cart finish: e-coat base layer, powder coat top layer
- standard frame colors: black, metallic grey, red
- available without child seat
- custom colors: PMS match with 250pc min. order
- custom branding: logo handles, logo panels
