

## 10 Inch (250mm) Meat Slicer

This high-quality, commercial-grade slicer is the perfect addition to your restaurant, cafe, catering business or even to your home. The body is made from heavy-duty, rustproof cast aluminium making it durable, strong and light - enough to move around.

Equipped with the highest quality 10" (250mm) blade, it also has an integrated whetstone sharpener to ensure you always get the professional clean slices you need.

**Please note:** This slicer works best with dry products like meats and cheeses. Wet, or juicy products like tomatoes will release a large amount of liquid when sliced which may find its way onto the electronics of the slicer and damage it.
