

12 Inch (300mm) Meat Slicer

This high-quality, commercial-grade slicer is the perfect addition to your restaurant, cafe, catering business or even to your home. The body is made from heavy-duty, rust-proof cast aluminium making it durable, strong and light enough to move around.

Equipped with the highest quality 12" (300mm) blade, it also has an integrated whetstone sharpener to ensure you always get the professional clean slices you need.

Please note: This slicer works best with dry products like meats and cheeses. Wet, or juicy products like tomatoes will release a large amount of liquid when sliced which may find its way onto the electronics of the slicer and damage it.

Appearance

- Solid aluminium rust-free base.
- Non-slip rubberised feet for extra safety.

Construction

- Highest quality 300mm (12") stainless steel blade.
- Waterproof On/Off switch.
- Wide belt width of 520mm.
- Stainless steel pointed food press arm.

Operation

- Strong & durable 420w motor (420RPM).
- 12-level thickness adjustment - 0mm - 15mm.
- Quiet & reliable belt drive system.
- Easy to Use, and Easy to Clean.
- Integrated whetstone sharpener.
