

Squared Bench Top Food Showcase Fridge - 190 Litre - 1200mm

Constructed with a sturdy, squared design, this fridge provides ample storage space to display an array of cakes, pastries, and prepared meals. The transparent glass panels allow customers to easily view and select their desired items, while the internal LED lighting ensures your products are highlighted in the best possible way.

Featuring advanced cooling technology, the Food and Cake Display Fridges maintain a consistent temperature to preserve the quality and freshness of your merchandise. The energy-efficient compressor and insulated walls help to reduce operating costs, making this fridge a smart investment for your business.

The quality Cubigel compressor and Carel controller work in unison to keep your products cool and fresh, right on the benchtop where your customers can easily view them.

R290 Refrigerant is non-toxic, natural, and free of ozone-depleting properties. R290 is one of the most climate-friendly and cost-effective refrigerants available. Fridges and Freezers using this refrigerant are more efficient and can reduce your overall energy costs by up to 28%.

With twin rear doors for easy access, and two adjustable wire shelves our refrigerated showcases will be a convenient and quality addition to your business.
