

400L Upright Single Door Light-Duty Ventilated Freezer

The upright freezer is specifically engineered for light-duty storage-centric solutions at bustling cafés, kiosks, food vans, and sandwich bars. Featuring a single door and a space-efficient design, it provides a storage capacity of 293 litres. Its durable construction ensures reliability and space-saving size. The freezer is equipped with fan-forced ventilated cooling and electronic temperature controls, ensuring optimal performance and consistent refrigeration.

R290 Refrigerant is non-toxic, natural and free of ozone-depleting properties. R290 is one of the most climate-friendly and cost-effective refrigerants available. Fridges and Freezers using this refrigerant are more efficient and can reduce your overall energy costs by up to 28%.

When you buy from AG Equipment, you know you're getting a twenty-four-month parts and labour warranty from a trusted Australian supplier.
