

Food Display Fridge - 4 Layer - 407 Litre - 1200mm

AG Equipment's 1200mm, 407 Litre gross capacity, black base food display fridge will look great in your cafe, bar, club, or restaurant. With four levels of display storage, each individually lit with brilliant LED lighting, and fog-free glass, your food and other refrigerated products will always look their best. With twin rear doors for easy access, and fully adjustable frosted glass shelving our cake showcases will be a convenient and quality addition to your business.

Carel iJF Controller

The new iJF controller is by CAREL with more than thirty years of experience in the refrigeration controller market. Customisation options, aesthetics and functionalities have been considered when commissioning the controller. Its frameless flat design and distinctive appearance blend perfectly into any fridge or freezer appliance.
