

Food Display Showcase - 4 Layer - 308 Litre - 900mm

AG Equipment's 900mm, 308 Litre black food display showcases will look fantastic in any café, bar, club, or restaurant. With three levels of display storage, each independently illuminated with beautiful LED lighting and fog-free glass, your cakes and other perishable products will always look their best. With dual back doors for easy access and fully adjustable frosted glass shelving, our cake showcases will be a useful and high-quality addition to your business.

Carel iJF Controller

The new iJF controller is by CAREL, which has more than thirty years of experience in the refrigeration controller market. When commissioning the controller, customization options, aesthetics, and functionalities were considered. Its frameless flat design and distinctive appearance blend perfectly into any fridge or freezer appliance.
