

1300 Litre Upright Double Stainless Steel Door Freezer

This well-appointed upright freezer is a workhorse for your busy commercial kitchen. Keeping your precious products frozen even after frequent usage. This unit is constructed from high-quality stainless steel and features a self-closing door, which is lockable to secure its contents during unattended periods. It also comes with heavy-duty castor wheels for ease of placement and manoeuvrability within your premises. This freezer offers 1300L of storage with five adjustable shelves per door, affording a fully configurable solution for your freezer requirements.

This freezer is equipped with a CUBIGEL compressor, which has an automated defrosting feature. It also has the new Carel iJF digital temperature controller fitted for ease of use. With an ambient temperature of up to 43°C, it is ideal for restaurants, pubs, and other hospitality venues.

R290 Refrigerant is non-toxic, natural, and free of ozone-depleting properties. R290 is one of the most climate-friendly and cost-effective refrigerants available. Fridges and Freezers using this refrigerant are more efficient and can reduce your overall energy costs by up to 28%.

When you buy from AG Equipment, you know you are getting a twenty-four-month parts and labour warranty from a trusted Australian supplier.

Carel iJF Controller

The new iJF controller is by CAREL, with more than thirty years of experience in the refrigeration controller market. Customisation options, aesthetics and functionalities have been considered when commissioning the controller. Its frameless flat design and distinctive appearance blend perfectly into any fridge or freezer appliance.
