

Commercial Freestanding Dough Sheeter

AG Equipments JDR520 range of dough sheeters are the highest quality dough sheeters available in Australia. They are the perfect addition to any commercial kitchen operation requiring regular pastry and dough-based production. Our free-standing model allows the machine to be set up anywhere in your kitchen or factory without the need for extra tables or benches and with its unique folding design, the unit can be easily stored out of the way when not in use.

With a wide adjustable roller opening and hard chrome rollers, a solid stainless steel and aluminium construction, our dough sheeters are built to keep working for years to come.

Backed by AG Equipment's 12-month warranty you can be sure you are buying the highest quality commercial Kitchen equipment from a trusted Australian-based supplier.

Appearance

- Collapsible design allows for less bench space usage when the sheeter is not in use.
