

## Sliding Glass Door Chest Freezer - 445 Litre

Model Number: SD-520Q

Do you need to display your frozen goods to your customers, while at the same time conserving space and costs with an economical display freezer option? AG Equipment's SD-520Q chest freezer is perfect for a range of uses from ice creams at a milkbar, to frozen meat and vegetables in a deli or supermarket. With an attractive curved glass sliding door/lid, and caster wheels for easy relocation, our static-cooling chest freezer is right for you.

### Appearance

- Twin curved glass door top.
- Stylish and clean bright white finish.
- Bright internal LED lighting.
- LED temperature display and analogue temperature control dial.

### Construction

- Comes with 5 baskets for separating and organising your products.
- Please note that the internal dimensions do not account for the space occupied by the compressor housing.
- The Centre horizontal support beam is not heated, and ice may form.
- Comes with 6 caster wheels for easy manoeuvrability.
- 38°C Ambient Temperature.
- Approvals include CE, GS & RoHS

### Operation

- Energy-efficient Static Cooling

### Installation and Maintenance

This unit must be placed leaving clearance for ventilation. Please refer to the user manual for details.

**NOTE:- Product images are for illustration purposes only, actual products may differ in appearance.**

**Errors and omissions excepted (E&OE)**
