MODELS

#M101Y-120

120V Tumble Marinator, 37"L by 20"W, with a 40.6L [10.7 gallons] stainless drum volume, includes drain pans

#M101Y-220

220V Tumble Marinator, 37"L by 20"W, with a 40.6L [10.7 gallons] stainless drum volume, includes drain pans

Operating Instructions

Unit comes set to run for 10 minutes. Fill drum with product and marinade. Press start button for tumble cycle to begin. When unit stops, simply empty marinated product into pan below the drum. Timer is located behind an access panel to prevent tampering.

Mobility

Unit is mounted on locking casters for mobility. Marinator can be stored under a worktable.

Cleaning

Simply remove drum from cart and wash in sink or dishwasher. It's that easy!

Unit Features

Analog controls with digital readout (behind cover plate)

Infinite control for Marinating time (behind cover plate)

Slip Clutch
