ADJUSTABLE HEIGHT ELECTRIC SALAMANDER

SALAMANDER GRILLS

A line of compact cooking appliances, designed for those who do not want to give up on high performance, even in small spaces.

All models are CE-approved. Featuring both gas and electric models, adjustable height settings and constructed in AISI 304 stainless steel.

A great addition to any kitchen, they can be placed on a bench surface or wall mounted at eye level enabling close control of the cooking process.

Technical / functional characteristics

- Made of AISI 304 stainless steel with a satinized finish • Rubber feet
- Heating elements are made of Incoloy
- Feature air vents along the upper side for evacuating heat and smoke
- Heating elements placed in the upper deck, which can slide up and down along runners
- Extractable drip trays and chromium-plated steel grids for easy cleaning
- Possibility to hang the appliance on the wall by means of special brackets (to be requested)
