Description

Bezzera VICTORIA Red 2-Group Professional Espresso/Coffee Machine - BZVICTORIA2R

The Victoria coffee machine is a high-performance system tailored for the evolving global coffee industry. Featuring an advanced triple-boiler design, it ensures precise temperature and pressure control for optimal extraction of single-origin or blended coffees. Equipped with user-friendly color TFT touch displays, it offers customizable settings, including Bezzera's patented pressure profile technology for drip coffee and herbal infusions. Its automatic water regeneration maintains water quality, while PID thermostats enable precise temperature adjustments for enhanced coffee aroma and flavor. Built for versatility and excellence, it is a powerhouse for coffee connoisseurs.
