Description

900 mm wide
Heated Square Stainless Steel Food Display

This smaller Bonvue heated display comes to us from Bonvue, one of the premium catering equipment brands within the catering equipment business. This display aims to provide an eye-catching space to present your culinary work, straight from the kitchen.

These heated displays are great for bakeries, takeaway shops, fast food joints and cafes serving and presenting hot food and pastries such as chicken, meat-based ingredients, soups, vegetables, pastas, pizzas, pies and sausage rolls.
