Model FP35/50 Cutter/Mixers

The FP35/50 Cutter/Mixers are equipped with a heavy duty electric motor coupled to high-speed gearing for fast and efficient emulsifying, chopping, cutting, whipping and kneading.

- Chops all types of meat, pate, terrine, meatloaf etc.
- Slices all types of vegetables: onions, carrots, garlic, mushrooms, etc.
- Emulsifies all types of mayonnaise, puree, sauces, creams, etc.
- Kneads all types of pastry: pizza dough, pasta, cakes, etc.
- Mechanical interlocks prevent the machine operating if the bowl and/or safety cover are not locked in place
- Clear safety cover permits close supervision of the process during operation
- Opening in cover allows addition of other foodstuffs. Seals with included dispenser stopper
- Bowl features a thermal base to maintain ideal working temperatures, hot or cold. Permits processing of foodstuff direct from stove top or freezer
- Polished stainless steel components are designed for easy cleaning

SPECIFICATIONS
