

GMP Packaging System

GMP Smart Pack

GMP Smart PACK with Advanced Technology

Design for any Interior

Performance for Customer Satisfaction

Ability for Various Circumstances

 Automatic Anti Wrinkle System
Smart PACK

As the world's leading thermal laminating machines & films manufacturer, GMP has continued To be in progressive pursuit of brand new technologies of developing Various packing M/C

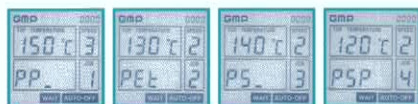

Powerful sealing Pressurized Driving & Anti Heat shrink & Wrinkle Free

Sealing & cutting in one shot with easy and simple function.

Electrostatic SMART touch control

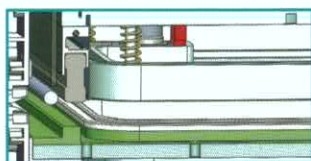

Smart program by Material

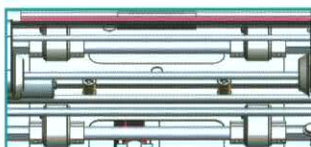

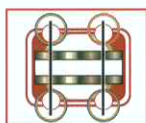

Different functions for temp step speed.

Wrinkle removal function

The perfect packaging makes customer satisfaction

4points Flat sealing Device

4Points Pressurized Device with powerful motors

Flexibility for Various Application of GMP Smart PACK

GMP Smart PACK has smart functions with patents for inimitable technologies.

This is the best solution for food packaging in department stores, restaurants and show shops.

Airtight Packaging with GMP Smart PACK

Proximity Sensor makes Perfect Packaging Results!

Features

- Full Automatic Operation
- LCD Display for Digital Temp., Sealing, Time & Speed
- Anti-Wrinkle Film System (Patented)
- Entire Sealing Area Pressure Device (Patented)
- Multiple Safety System
- Daily Packing Counter
- Program for Application of Container for Different Materials
- Quick Saving after Setting Change
- 2 steps for Tray Speed Setting

Specification

- Speed :Max 9 Pack/min
- Container :90X90~240X240 mm
- Film Spec :120mmX300M~270mmX300M
- Rated Voltage :220V 60Hz ±10%
- Power Consumption :Quiescent Current- 8mA
:Peak Current - 800W
- Weight :27 Kg

Optional Devices

- Eye Mark Auto Recognition sensor
- Dual Heater unit
- Center sealing unit

Optimized Control Devices & Functions

Messages for each functions are displayed for easy operation.

Outstanding Capability of Proximity Sensor makes the further safe operating condition

Every functions are operated automatically and More safer with multiple safety devices.

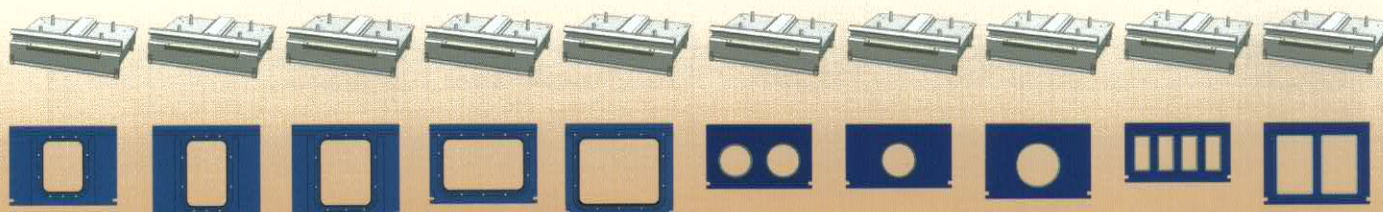

Count the Packaging with Counter.

Technology to Eliminate the Wrinkles by Heat Shrink

Special Technology only in the Smart Pack to eliminate wrinkles due to sealing inbetween the different materials (containers & films).
