Brice™

The LM series is a medium duty Cutter/Mixer that takes the hard work out of chopping, emulsifying and blending. Ideal for restaurants, caterers, medium/large kitchens and delicatessens.

Model  
**LM5/8**  
Cutter/Mixer

Medium Duty; Direct Drive; Manual Operation

# Model LM5/8 Cutter/Mixer

The Model LM series Cutters/ Mixers are equipped with heavy duty motors for fast and efficient chopping, emulsifying and blending.

- Manufactured in stainless steel anodised aluminium to resist the corrosive effects of salts and acids.
- All parts in contact with food are made of stainless steel.
- Fast, easy cleaning.
- Safety interlock switches shut down the machine if the bowl and safety cover are not in place.
- Chops all types of meat, paté, terrine, meatloaf, etc.
- Emulsifies all types of sauces, mayonnaise, pureé, creams, etc.
- Manual wall cleaner to push product down into bowl.
- Motor includes thermal overload protection.
- The Cutter/Mixer includes a self-braking motor that stops blades in 3 seconds after opening the lid.
