## Pass-Through Recirculating Warewasher

INDUSTRY  
KITCHENS  
www.industrykitchens.com.au 1800 611 058

The Eswood ES25DP warewasher is Australian made, designed and built to last in harsh conditions. Its compact form excels in commercial kitchens, offering continuous performance. Independent upper and lower spray arms ensure thorough cleaning, while digital temperature displays ease monitoring. Standard drain pump, detergent and rinse aid pumps streamline the process. The ES25 is a reliable and efficient solution for safe food handling and maintaining a hygienic workspace.

## ES25DP standard features and benefits

- Counter-balanced lift-up hood with ergonomically designed wrap around handle
- Durable stainless-steel body construction and wash arms
- Automatic fill to wash and rinse tanks
- High capacity 540-700 pieces (1-Phase and 3-Phase respectively)
- Digital wash and rinse temperature controllers and displays
- Detergent and rinse aid pump as standard
- Suitable for corner or inline installation
- Machine starts upon closure of hood
- Easily removable spray arms and filters
- Wash and Rinse pump fitted as standard
- Drain pump fitted as standard
- Operation interlocked to rinse temperature

### Standard accessories
