

# SW400 Smartwash Undercounter Warewasher

INDUSTRY  
KITCHENS

www.industrykitchens.com.au 1800 611 058

The New Smartwash Range of undercounter warewasher is the first attractive, intelligent, one touch warewashing system in Australia that offers incredibly sustainable results in water and energy consumption. This professional warewasher offers the first one touch control panel with digital wash and rinse temperature displays for easy HACCP recording for accurate food safety reporting. These machines are sleek and compact because we know space is of the essence and presentation is key. Only Smartwash offers you a warewasher with one touch control, drain pump fitted as standard, a self cleaning cycle and 4 wash cycle options, offering you an economical and sustainable solution for your business.

## SW400 standard features and benefits

- Up to 1200 glasses per hour. Compartmented racks available to suit tall stem glasses
- User friendly TOUCH control panel with digital wash and rinse temperature displays for easy HACCP recording
- Water saving – uses only 1.9 litres per cycle
- Four wash cycles of 90, 120 & 150 seconds + special (time variable wash cycle chosen by operator – time limit 12 min)
- Built-in detergent and rinse aid pump fitted as standard
- Self cleaning cycle, easily removable spray arms & filters together with a pressed wash tank
- Double skinned door drastically reduces heat & sound emissions
- Self-Diagnostic system for accurate fault finding & reduced ownership costs
- Thermostop Function to ensure set rinse temperature is achieved
