

FED-X 2 Door 7 Drawer Marble Top Pizza Make-Up Bench 2020mm — XPZ3600TND

Description

FED-X 2 Door 7 Drawer Marble Top Pizza Make-Up Bench 2020mm — XPZ3600TND

The FED-X Marble Top Pizza Make-Up Bench is a refrigerated preparation bench built for pizzerias, pizza bars and commercial kitchens across Australia. A marble work top sits over a stainless steel bench fridge, so dough can be worked on a naturally cool surface while chilled toppings stay directly underneath.

The XPZ3600TND is the 2020 mm model with two doors and a seven-drawer bank, so chilled toppings sit in shallow drawers within arm's reach of the make-up line. It holds +2 ° C to +8 ° C with fan forced cooling, takes 400 × 600 mm trays, and rolls on heavy duty castors with front wheel brakes.

Key Features

- **Marble top work bench** – Marble top over a stainless steel work bench fridge — the working surface pizzaiolos prefer for stretching and shaping dough.
- **Stainless steel throughout** – Stainless steel exterior and interior, with a galvanised metal back.
- **Fan forced cooling** – Even temperature across the cabinet, holding +2 ° C to +8 ° C.
- **Quality refrigeration** – Embraco or Cubigel compressor.
- **Digital control** – Dixell digital temperature controller and read-out.
- **Auto defrost** – Automatic defrost — no manual intervention on a busy line.
- **Moves and stays put** – Heavy duty castors with front wheel brakes.
- **Takes 400 × 600 trays**– Suitable for 400 × 600 mm trays.
- **Matches the range** – Compatible with the FED-X XVRX range.

Specifications

Doors	2 Doors and 7 Drawers
Door Type	Solid Doors
Body	Stainless Steel with Marble Top
Tray Size	400 × 600mm
