SET IN STONE

Hatco's GRSS Heated Stone Shelves provide the perfect setting to display your culinary delights!

Hot! Fresh! Delicious! When putting your best food forward, you want nothing to distract your customer's attention from your presentation. That's why the Hatco Heated Stone Shelf is perfectly suited to match the beauty of your display. Available in portable or built-in models, these unique foodwarmers will safely hold food hot while blending into your décor.

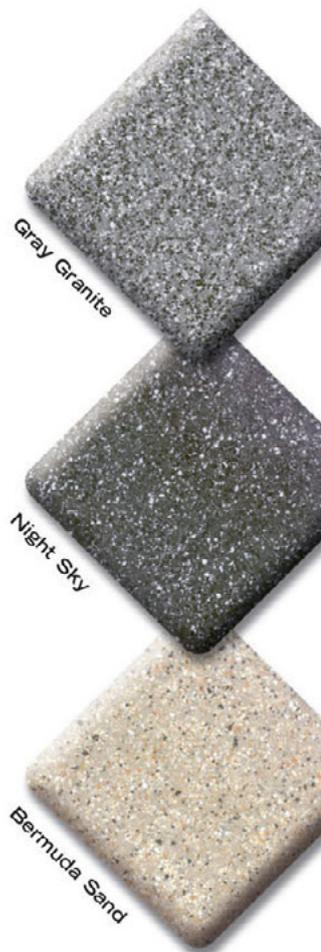

Matching countertops is easy to do. These decorative warmers come in four colors: Sawgrass, Gray Granite, Night Sky, and Bermuda Sand, with many others available. Ideal for use on buffet lines and as hors d'oeuvre displays, the Glo-Ray® Stone Shelf features a thermostatically-controlled heated base that extends the food holding times. Built-in models include a remote box with a 914mm conduit and 1829mm cord and plug.

Let Hatco add a touch of class while handling your foodwarming needs.

Shelf colors: choose from four stock Swanstone® colors.

Portable stone shelves come in sizes of 457 mm deep and six widths: 610, 762, 914 1219, 1524, and 1829 mm
