Description

GASMAX Gas Dual Ring Single Burner Single Hob RB-1E

This compact, versatile dual-ring burner with flame failure is a quality unit that helps you burn, heat, or cook your ingredients and foods, including pasta, meats, and veggies.

This tough, heavy-duty piece comes to us from premium commercial catering equipment powerhouse, Gasmax, who supply some of the best, most efficient gas and electric cooking equipment and tools in the industry.

The RB-1 comes packed with a flat heavy-duty trivet with sturdy, adjustable feet, and auto ignition – all encased in a stainless-steel build.

The RB-1 is a small, compact burner that can easily fit into any small kitchen or workspace. It can also be moved portably and used within a variety of settings and environments, which enhances its quality and use.
