SAL-1 ELECTRIC SALAMANDER

*Heat when you need it
Where you need it*

Hatco's Electric SAL-1 Salamander is specially designed for versatility, with the capability to cook, grill, hold and reheat. The unique features and flexibility of the Hatco Salamander make it easy to operate, energy efficient, and highly functional in any kitchen.

STANDARD FEATURES INCLUDE:

- Adjustable upper housing gives 114mm of vertical movement putting heat exactly where needed.
- Three 'Instant On' heating elements located in the upper housing offer versatility & economy.
- Plate detection feature activates the instant-on heating elements when a food plate comes into contact with the bar, and deactivates when removed, saving energy costs.
- The HOLD function has eight programmable heat levels for consistent results.
- Heating elements are only on when in use, or in 'Hold' mode, reducing residual heat in the kitchen and conserving power.
- Flat touch control panel for ease of use and repeatability.
- Stainless steel construction ensures durability and easy clean up.
- Comes with removable cooking grate and drip tray, wall mounting hardware, 102mm adjustable black plastic legs.
