

VarioCart 2 shelves 800×600 mm black

Product code	Type
0112708	VC 8x6/2 Black M

FUNCTIONAL DESCRIPTION

The VarioCart 2 shelves 800×600 mm black from Hupfer serves the transport of Euro crates.

- High payload capacity with up to 100 kg per shelf and 300 kg total ensures maximum flexibility for heavy equipment
- Height-adjustable shelves with a tool-free plug-in system allow customised storage for various container sizes and goods
- Optimised shelf dimensions perfectly fit Euro containers for secure and space-efficient storage
- Sound-absorbing mats on shelves reduce noise levels, creating a quieter and more comfortable environment
- Elastic plastic disk bumpers on all corners protect against damage during transport and enable easy maintenance
- Stable shelf connection absorbs vibrations and dynamic forces, enhancing durability during handling
- Four swivel castors, two with total locks, provide precise manoeuvrability and secure locking for safe operation

EQUIPMENT FEATURES

- High payload**
With up to 100 kg load per shelf and a total load capacity of 300 kg, the station offers maximum flexibility for heavy equipment. Ideal for professional use in commercial kitchens and medical areas.
- Disk bumpers**
The elastic plastic rollers on all four corners of the appliance provide reliable protection against damage during transportation. Thanks to their simple design, they can be replaced quickly and without tools, which reduces maintenance costs and increases operational readiness.
- High Manoeuvrability: 4 swivel castors, 2 with total locks**
Four smooth-running swivel castors, two with total locks, enable precise manoeuvring in tight spaces and secure locking during operation. This equipment ensures optimal mobility while maintaining high directional stability and security.
- Optimised for Euro containers**
The dimensions of the shelves are perfectly matched to the standard dimensions of Euro containers (600 x 400 mm). This ensures optimum use of space and that the containers stand securely without slipping.
- Stable shelf connection**
The stable shelf connection absorbs vibrations and dynamic driving forces during handling.
- Height-adjustable shelves**
The practical plug-in system allows flexible height adjustment of the shelves without tools. This allows you to adjust the heights to suit different container sizes and stored goods - for maximum efficiency in the kitchen and warehouse.
- Shelves with sound-absorbing mats**
The sound-absorbing mats supplied effectively reduce the noise level. This creates a quieter atmosphere in the guest area – for greater well-being and comfort.

GENERAL TECHNICAL DATA

Rated capacity		
Position	Rated capacity	Quantity
Total	Euro container 600 x 400 mm	4
Width rated	800 mm	
Depth rated	600 mm	
Nominal height	1.048 mm	
Width actual	940 mm	
Depth actual	685 mm	
Height	1.048 mm	
Weight	14 kg	
Payload	200 kg	
Main material	Stainless steel	

SLIDE-IN PROPERTIES

Pitch	66,5 mm
-------	---------

INTERIOR PROPERTIES

Board construction	Height-adjustable shelf With sound insulation board
Number of shelves	2
Load capacity per shelf	100 kg

VarioCart 2 shelves 800×600 mm black

MOBILITY

Castor equipment

castor_type	quantity
Swivel castor with lock	2
Swivel castor	2
Castor attachment	Back hole
Castor bearing type	Ball bearing
Castor housing material	Plastic
Wheel ø	125 mm
Type of tyre tread	Rubber – Standard
Wheels with thread guard	Yes
Design of the locks	Total lock
Impact protection construction	Deflector rollers
Push handle construction	Push bar
