Glass Door Freezer - Spec Sheet

IARP | Epta Refrigeration

Plug-in upright freezer for frozen food and ice cream

## Overview

The IARP ASIA 115 CL is a double-door upright glass-door freezer designed for frozen food and ice cream display. It is a self-contained plug-in cabinet intended for retail and foodservice merchandising where frozen storage, product visibility, and straightforward installation are required.

## Description

The cabinet uses ventilated cooling and automatic defrost. The official Epta Asia Pacific product information lists hot-gas/electric defrost, an incorporated condensing unit, free-maintenance condenser, LED lighting, and refrigerant options including R404A and R290. The technical sheet also lists R507A/R404A/R290 for the ASIA 115 CL model.
