

FlexiChef® – Outstanding productivity and excellent food quality.

### Product Advantages:

- MaxPower and FlexPower variants available
- MagicPilot – Robust, wear-free, capacitive true colour touch screen.
- AutoChef – Automatic cooking in 10 cooking categories from Meat to Perfection (regeneration)
- Manual operation – Allow you the freedom to prepare a wide variety of dishes according to your own wishes and requirements.
- Turbo PowerBlock – Pan bottoms with intelligent heating system (energy saving and efficient).
- SpaceClean (Option) – automatic cleaning system for skillet pans and lids.
- ReadyXpress – High speed in the production process.
- FlexiZone - Simultaneous frying on up to 3 zones
- OpenXpress – Pressure reduction is possible in at least one minute.
- Integrated Hand Shower
- Automatic filling and emptying.
- Automatic lid opening and closing.
- Option of control panel on left or right side.

### Technical Data:

|                                   |                    |
|-----------------------------------|--------------------|
| Width x Height x Depth (mm)       | 1300 x 750 x 850   |
| Effective area/volume (mm)        | 723 x 315 x 543    |
| Usable capacity (L)               | 75                 |
| Max Oil Capacity (L)              | 35                 |
| Weight (kg)                       | 325 (with Options) |
| Electric Load (MaxPower) (kW)     | 24.2               |
| Recommended fuses (MaxPower) (A)  | 3 x 32             |
| Electric Load (FlexPower) (kW)    | 18.6               |
| Recommended fuses (FlexPower) (A) | 3 x 32             |
| Voltage (V) / EC:                 | 415 3 phase AC     |
| Type of protection:               | IPX 6              |
