

The Extra Heavy Duty Master Series' modular approach combines the convenience of custom kitchen design with proven, premium quality components to deliver world class functionality.

Featuring stainless steel construction front and sides, large front 'plate rail' 191mm deep and 2.5mm thick.

2 piece burners are easy to remove and clean with protected individual pilot lights and flame failure as standard. Large 683mm deep work surface fits 400mm pots easily and grate design allows pots to slide across the surface easily.

Large easy-to-use control knobs sit atop the fully porcelain interior standard oven that accepts full sized sheet pans in both directions with 4-position rack guides. A 42.2MJ 'H' oven burner with flame failure and a strong adjustable door.
