Description

600mm Solid Wallshelf 0600-WS1

Strong and made to store stock and equipment for easy access, the 600-WS1 wall shelf is uniquely designed with durable stainless-steel pipes.

This solid steel shelf can be erected directly onto your workspace walls to store tools, equipment and stock, which eases workflow for chefs and kitchen hands, who can easily reach up and grab what they need while they 're working.

The 0600-WS1 is one of our smallest available options when it comes to wall shelves and is used primarily within smaller kitchens, or kitchens with limited space.

This compact wall shelf comes with two brackets and is supplied flat-packed with instructions, tools and simple assembly.

Our shelves have a defined and refined finish, giving your kitchen that professional look.
