Description

All Stainless Steel Solid Wall shelves - 0900-WS1

Modular systems bring us the latest and greatest in stainless steel equipment and products, including the tough and compact 0900-WS1 wall shelf.

This solid wall shelf is usually erected against a kitchen wall so chefs and kitchen staff can store easy to reach stock and tools. The 0900-WS1 is a smaller sized shelf for a smaller commercial kitchen, it 's especially useful within bakeries, cafes and takeaway shops.

This shelf comes supplied flat-packed with an instruction manual, tools and simple assembly, meaning your wallshelves can be erected and ready to place stock in no time!

These shelves are built with a 1.2mm steel thickness for strength and toughness, two brackets for extra space, with a well-defined hairline finish.

- 1.2 mm material; SUS304 (18/8); Hairline finish
- Specially designed for quick & simple assembly
- Come with instruction manual & tools
- Supplied flat-packed for ease of transport
