Description

All Stainless Steel Pipe Wallshelf - 1500-WSP1

One of the longest wall shelves in our inventory - this uniquely designed, reliable shelf is built straight within our own doors here at FED.

This piece is constructed with tough stainless-steel materials and designed to attach to your walls to store stock, tools and equipment that staff can easily reach and access. This is especially helpful during those peak busy hours where time is vital. The 1500-WSP1 's width (1500mm) is suited to kitchens with wider walls or within larger-scale establishments.

This tough wall shelf features two brackets and is flat packed with instructions and tools.

We ' re unbeaten for quality when it comes to our kitchen equipment, so you can trust FED to deliver an efficient and sturdy shelf for your business.
