VM404

Moffat offers a comprehensive range of equipment manufactured locally or sourced from some of the world's industry leading brands. With an extensive sales and support network, our products are backed by the knowledge and experience gained from a long and rich history in the baking industry.

Moffat Bread moulders now incorporate our patented "LightSpeed" guarding system, offering the ultimate in operator protection without restricting use of the moulder, making them the safest machines on the market and the perfect solution for a wide range of long moulded bread products.

VM404 Moulder

Model VM404
