

# PARRILLA1000

## OPEN GRILL

With an extensive cooking surface and state of the art elevating system suspended over the open fire, the new PARRILLA by MIBRASA® offers maximum versatility. The elevating system allows you to control the grill over the fire to vary your cooking techniques and obtain the optimal result.

The base is lined with refractory bricks to ensure maximum heat efficiency and resistance to pure fire. Built using quality steels providing strength and durability; ergonomically designed for practicality and ease of use, each feature plays a crucial part in delivering the ultimate grilling machine for every chef.
