

910-A DICE WITCH®

Model 910-A

Dice onions and vegetables quickly and evenly with the Prince Castle Dice Witch®. Place a vegetable on the Dice Witch® and with one downward stroke, the pusher head gives you perfectly diced sections. Depending on size of dice desired, just run the onion or vegetable through the Dice Witch® as many times as needed.

This versatile machine can be used for tomatoes, potatoes, apples, or any firm vegetable...it even cuts fries!

The solid construction provides for long, reliable service. A sturdy frame sits balanced on four legs with nonskid rubber feet for safe operation. Precise, sharp stainless steel blades ensure a clean cut with every stroke.

910-1097
