ROBAND®

Grill Max Toasters & Grillers

Various Options | Multi-Rack Positions | High Performance | Perfect Results | Easy to Clean

The Roband Grill Max toaster series is a statement of minimalist design and functionality. It's timeless look belies a machine that is simple to use, functional, reliable and economical. Used for a variety of food preparation, from grilled food to open melts and toasted sandwiches.

FEATURES

Features All Models

- Stylish brushed stainless steel body
- Energy regulator control
- Timer with warning bell
- Easy-clean removable crumb tray & reflector
- Top and bottom or top only heat selection
- Multiple rack positions

Features Steel Element Models

- Dura-life stainless steel elements for prolonged element life
- Good heat retention – continues to radiate some heat after elements turned off to help keep food warm

Features Glass Element Model

- Glass elements heat up quickly and provide instant toasting power
- Wire guard protects glass elements from accidental impact from wire rack movement
- Glass elements are wired in parallel so that the machine continues to operate if one glass element stops functioning
