

Percolator

The Robatherm Percolator, arguably best in its class, has been cleverly designed to deliver outstanding percolated coffee or tea in a simple to use fashion and with minimal parts to clean. Whilst the taste of the finished beverage speaks for itself, it's the elegant style, double skin construction with quality components such as a stainless steel tap, twist lock lid and sturdy handles coupled with the simple and effective coffee/tea basket design that sets this percolator apart from the competition.

FEATURES

- Double skin construction – reducing external touch temperatures
- Simplified and effective basket ensuring minimal parts to clean and preventing coffee granules or tea leaves from entering drink to be served
- Patented “safety dome” ensures a great tasting beverage and reduces risk of scalding if lid is inadvertently removed during percolation cycle
- Simple on/off operation – separate percolator element delivers coffee or tea whilst warming element keeps the beverage at serving temperature during and after percolation cycle
- Sturdy high-quality non-drip stainless steel tap
- 12.8 litre, 80 (160 ml) cup approximate capacity
- Twist lock lid with quality handles
