

SPBT4

PROFESSIONAL BOILING TOP - 4 BURNER

OPTIONS: Natural or LPG Gas

GUARANTEED PERFORMANCE

Smeg catering products draw on the experience of approximately 40 years in the Foodservice industry. Our products are built with the highest quality materials, making them particularly tough and strong.

EFFICIENCY

A highly efficient and powerful 31Mj single-ring burner readily meets the requirements of a demanding kitchen. Each burner is fitted with a multi-setting gas valve, enabling enhanced flame regulation. Maintenance is made easy through frontal access to all components.

VERSATILITY

The complete Smeg Professional catalogue offers a range of products for all needs and environments, fulfilling any requirement in the most efficient and high-performing way.
