

## **SINTESI M60G, SINTESI M80G, SINTESI M120G, SINTESI M160G, SINTESI M200G**

### **Spiral Mixers**

#### **Product Features**

- Heavy duty painted steel structure.
- Stainless steel header top cover.
- High resistance stainless steel spiral and breaking bar.
- Supplied on wheels with adjustable feet for added stability
- High-performance belt drive and dedicated high-power motors for bowl and spiral rotation.
- 2 x electromechanical timers, 1 for slow / 1 for fast speed.
- The change from the first to the second mixing speed and the stopping of the machine happens automatically.
- Possibility of pulse-controlled rotation of the bowl, with open guard, to facilitate emptying.
- Possibility to reverse the bowl rotation in first speed.

**SINTESI M60G**

Sottoriva is a leading Italian manufacturer of machines and lines for the bread and pastry industries. Established in 1941, Sottoriva offers a comprehensive range of heavy duty equipment to suit from small bakeries right through to large industrial installations, all manufactured to the highest standards to ensure many years of optimal performance. The Sottoriva equipment range includes spiral, fork and double arm dough mixers, removable bowl mixers, automatic roll divider / rounders, fully automated bread roll production lines, fully automated bread production lines and a range of specialized equipment for the craft baker. World renowned for quality equipment, optimal performance and superior reliability, Sottoriva Technology can certainly provide the future for your bakery.
