Model No.	L x D x H (mm)
SPPL.WB.MSSC.TSD	504 x 476 x 1387
SPPL.WB.MSMF.TSD	504 x 476 x 1387

Features and Benefits:

- Stainless steel hand washing basin with tap and stand included
- Hands free foot operation for hygienic hand washing
- No power connection required
- Self contained (SC) models include two 20 litre on board jerry cans. One for clean water and one for waste water. Water is fed using a foot operated pump
- Mains fed (MF) models include a mains water connection and waste connection for drainage to a suitable drain.
- Cabinets are fabricated from heavy duty, aesthetically pleasing and durable stainless steel. They include a fully enclosed cupboard and back panel to conceal plumbing/fittings plus rear handle and castors making the unit easy to reposition
- Optional towel and soap dispensers are available to order at an additional cost, specified at time of order
