

Thermaster Heavy Duty Supermarket Glass Sliding Lid Freezers 477L SD-506K

Quick Overview

- Curved glass design for elegant visibility and enhanced product display
- 70mm insulation for optimal temperature retention and energy efficiency
- Analogue temperature controller for precise and user-friendly operation
- Heavy-duty basket included for organized storage and easy access to products
- Designed for performance in Climate Class 7 conditions, ensuring reliability in extreme temperatures
- Utilises eco-friendly R290 gas, minimizing environmental impact
- Durable ABS frame construction for long-lasting use and stability
- Perfect for ice cream display and storage, showcasing products attractively
- Features a static cooling unit, maintaining consistent temperatures for quality preservation
- Manual defrost required, allowing for maintenance and cleaning control
- Lock included for added security, protecting your valuable products
- Heavy-duty castors for easy mobility and positioning
- Temperature Range: -18 to -22
- Ambient/ RH%: 35/75
- Capacity (L): 477L
- Power 230w
- Packing dimensions 1494*775*895
- Net Weight 81kg
- Product dimensions: 1446*745*845

Description

Thermaster Heavy Duty Supermarket Glass Sliding Lid Freezers 477L SD-506K

Key Features
