

## Thermaster Heavy Duty Supermarket Glass Sliding Lid Freezers 561L SD-576K

### Quick Overview

- Curved glass design for elegant visibility and enhanced product display
- 70mm insulation for optimal temperature retention and energy efficiency
- Analogue temperature controller for precise and user-friendly operation
- Heavy-duty basket included for organized storage and easy access to products
- Designed for performance in Climate Class 7 conditions, ensuring reliability in extreme temperatures
- Utilises eco-friendly R290 gas, minimizing environmental impact
- Durable ABS frame construction for long-lasting use and stability
- Perfect for ice cream display and storage, showcasing products attractively
- Features a static cooling unit, maintaining consistent temperatures for quality preservation
- Manual defrost required, allowing for maintenance and cleaning control
- Lock included for added security, protecting your valuable products
- Heavy-duty castors for easy mobility and positioning
- Temperature Range: -18 to -22
- Ambient/ RH%: 35/75
- Capacity: 561L
- Power 255w
- Packing dimensions 1704\*775\*890
- Product dimensions:1656\*745\*845
- Net Weight 91kg

### Description

Thermaster Heavy Duty Supermarket Glass Sliding Lid Freezers 561L SD-576K

## Key Features

- Curved glass design for elegant visibility and enhanced product display
- 70mm insulation for optimal temperature retention and energy efficiency
