

## XEVTL-2011

Model

**TROLLEY**

- Capacity: 20 GN11 - 2.5" hotel pans (12" x 20")

### DESCRIPTION

TROLLEY FOR CHEFTOP MIND.Maps™ BIG OVENS.  
The structure is made of thick AISI 316L steel components with high resistance. This makes the MIND.Maps™ BIG trolleys robust and capable of withstanding high loads.

### STANDARD TECHNICAL FEATURES

- **316L** steel structure. High corrosion resistance.
- Front and back tray stopper.
- Magnets for presence detector.
- Lower water tray with drain. The tray is removable and washable.
- Removable safety handle to move the trolley.
- 4 x h 100 mm twin wheels. The 2 front wheels are equipped with brakes.
- Wheel operating temperature: max. 40 °C - min. -10°C.
- The tray pitch can be customized upon request.

### COMPATIBILITY

- XEVL-2011-DPRS / XEVL-2011-YPRS / XEVL-2011-GPRS
- XEVL-2011-DPLS / XEVL-2011-YPLS / XEVL-2011-GPLS

### DIMENSIONS E WEIGHT

|                             |         |
|-----------------------------|---------|
| Width:                      | 776 mm  |
| Depth                       | 665 mm  |
| Depth including the handle: | 881 mm  |
| Height:                     | 1741 mm |
| First tray height:          | 408 mm  |
| Last tray height:           | 1681 mm |
| Pan Spacing:                | 67 mm   |
