## Description

Beverage blender combining versatility, power and ease of use where noise control is not required. Featuring 6 pre-programmed, automatic settings with an auto shut-off, the Drink Machine Advance can easily handle dense ingredients and simple beverage operations. Featuring a heavy-duty, 2.3-peak output HP motor with a pulse functionality, you get the ability to fine-tune blends exactly how you want them. The starter kit includes the Drink Machine Advance blender with 2.0 L capacity (with 1.4 L measurement markings) high-impact clear, Advance container, Advance blade assembly, lid and comes in either black or red base. The Drink Machine Advance is covered by a 3 year back to base warranty (1 year parts and labour and 2 years parts only) on the motor base. Containers and blades are subject to a 12 month manufacturer's defect warranty. Best suited to: Milk Bars, Dairies, Delis, Cafes, Bars, Pubs, Juice Bars.
