

## SENSOR TAP DECK MOUNTED AC

### Order Code 42208

Zip AquaSense™ Touch-free tap range incorporates simple and modern design, with the latest electronic functionality delivering maximum hygiene and efficiency with integrated flow control achieving a 6 Star WELS rating for maximum water savings, the tap also features an automatic purge function, sensor range adjustment, wave on/wave off function, Anti-Vandal and Lock Out functions and a Chlorination function.

- Six-star WELS water rating, cuts water consumption.
- Designed to deliver water at 3.5 litres per minute.
- Nozzle gives an aggressive spray (versus a cascade) for high cleansing capability at a low flow rate.
- Sensor is positioned to prevent accidental activation.
- Design minimises run-on due to reflective surfaces.
- Solenoid latching valve supplied, with connections.
- Power pack (240/6 volt) connects to 10 amp GPO.
- Lithium battery pack option for simpler installation.
- Heavy duty construction to avoid vandal damage.
