

ZIP SENSOR TAP (MAINS)

Order Code 42220

Zip Sensor Tap Touch-free tap range incorporates a vandal resistant design and delivers maximum hygiene and efficiency with integrated flow control achieving a 6 Star WELS rating for maximum water savings.

- Six-star WELS water rating, cuts water consumption.
- Designed to deliver water at 3.5 litres per minute.
- Nozzle gives an aggressive spray (versus a cascade) for high cleansing capability at a low flow rate.
- Sensor is positioned to prevent accidental activation.
- Design minimises run-on due to reflective surfaces.
- Solenoid latching valve supplied, with connections.
- Power pack (240/6 volt) connects to 10 amp GPO.
- Lithium battery pack option for simpler installation.
- Heavy duty construction to avoid vandal damage.

Manufacturing Code 42220

Water Pressure	Min 70kPa - Max 700kPa
Water Connection	12.7mm BSP
Power Rating	6V transformer power pack 10amp GPO, 220V - 240V AC
Product Approvals	Watermark, CE
Wels Rating	6 Star
Warranty	1 Year

Installation Requirements

Must be installed by a suitably qualified person in accordance with manufacturers instructions and with all relevant plumbing and electrical regulations
