Technology

Optimised from top to bottom

- Optimised rotation in the **new feeder system**.
- **New more functional tap**, handy push-button tap.
- **1Step Extraction Kit**, for quick and easy extraction of the entire squeezing unit.
- The whole extraction kit can be cleaned in the sink or dishwasher.
- Integrated peel buckets.

More professional

- Intuitive **"Touch Control"** digital display.
- Total and partial fruit counter.
- 2 Operating modes:
Self-Service mode: press the tap for the juice to fall directly into the glass or jug.
Professional mode: program and squeeze the exact number of pieces without having to press the tap. For this, the tap must be in the continuous service position.
