

Smartwall G3 Wall Shelving Systems

INDUSTRY KITCHENS

www.industrykitchens.com.au 1800 611 058

A unique storage and work station system for often underutilized space – empty walls.

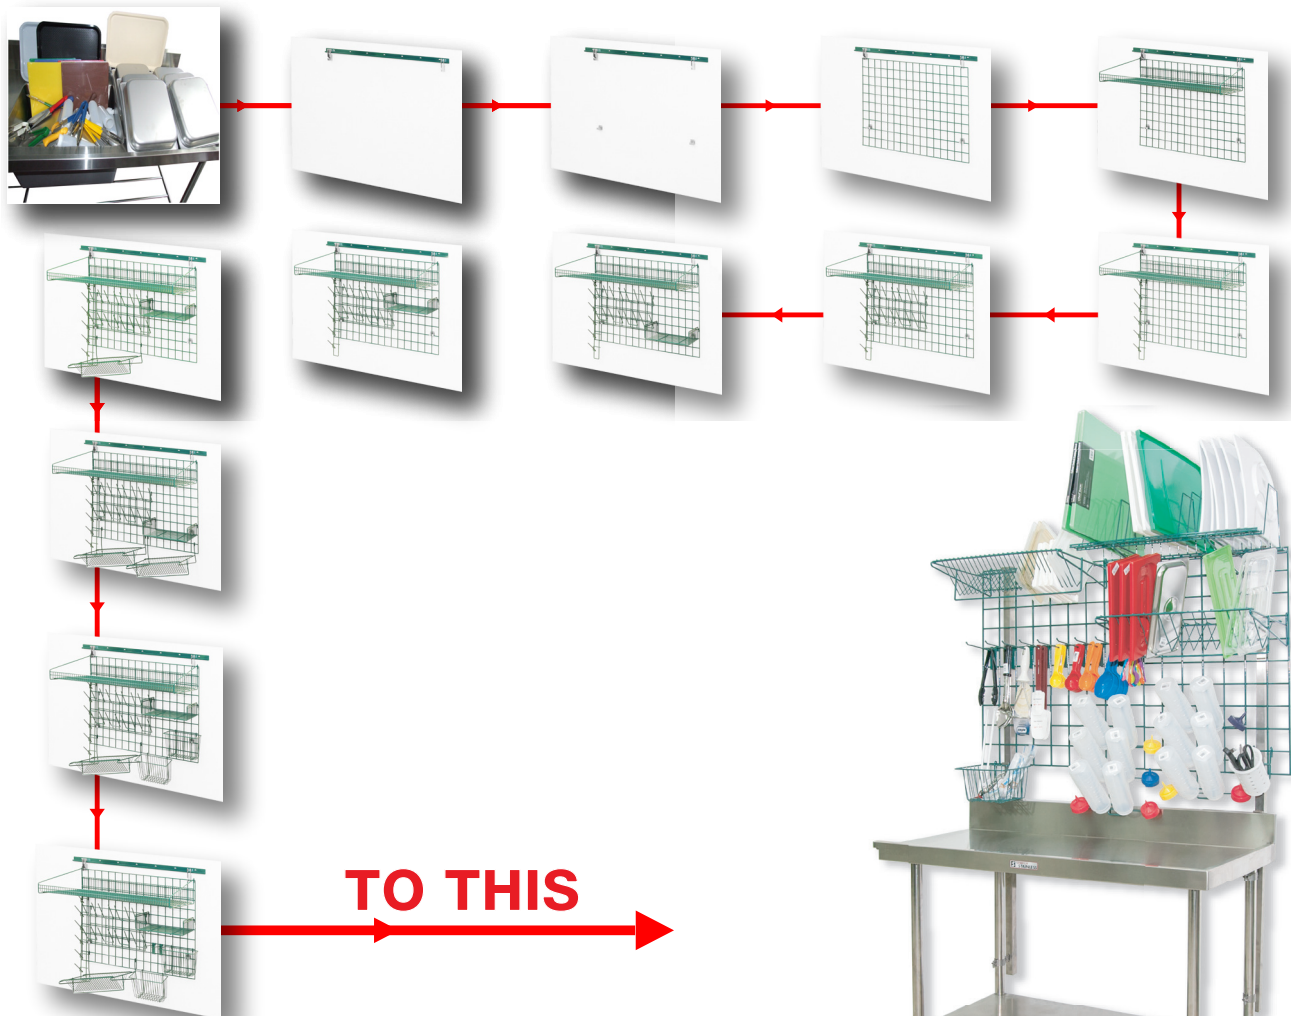

SmartWall G3 and its system of integrated wall tracks offer the flexibility to add wall shelving and wall mounted task stations where needed throughout a facility.

The use of the system around and above sinks, work tables, and equipment will keep these areas cleaner and more organized. SmartWall G3 can become an integral part of everyday operating processes to improve efficiencies and ultimately the return on investment (ROI).
