

## Custom Engineered Solutions

- Data collection solutions
- Flange management systems & software
- Tool Positioning Systems
- Multi-spindle electric tools
- Custom torque and tension tools
- Air Motors
- Etc.

## SRB Extended Range

- 3 models: 200/300/500 NM
- Display with 3 buttons
- Pset Selection / Quick Torq,
- Simple interface for operator

## Material Removal

- Turbine grinders
- Vane grinders
- Die grinders
- Sanders
- Needle Scalers
- Drills
- Screwdrivers
