alzheimer's  association  
Connecticut Chapter

**Friday, June 19th**  
87 Town Farm Rd, Farmington, CT

# Welcome to Burt Process Equipment's 31st Annual Golf Tournament & Fundraiser

## **In this pamphlet:**

- About Our Beneficiaries
- Schedule of Events
- 4-Man Scramble Rules
- Tournament Sponsors
- Prizes
- Giving Back & Donation Opportunities

Burt Process Equipment proudly announces our continued commitment to supporting the Alzheimer's Association, Connecticut Chapter and now The Village for families and children.

The Alzheimer's Association leads the way to end Alzheimer's and all other dementia — by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support.

The Village was one of the first agencies in the country to provide homes for neglected children. Today, we continue to achieve our mission "to build a community of strong, healthy families who protect and nurture children" by providing a full range of behavioral health, early childhood and youth development, substance use treatment and support services for children, adults and families in the Greater Hartford, Connecticut region.

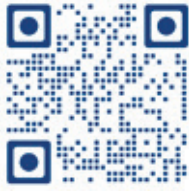

Burt Process Vendor and Supplier support is invaluable in helping to reach our fundraising goals and make a difference for these important organizations. We rely on your generosity to ensure the success of our fundraising efforts.

## 4-Man Scramble Rules

- A scramble means that all four team members tee off on each hole and then decide which tee shot they like best and mark the spot with a tee or ball marker.
- The other team members place their balls within one club length of the marked spot (no closer to the hole.) Each team member hits their next shot from this spot.
- This procedure is followed on every shot for the remainder of the hole, including putts. The ball should be marked on the putting green also.
- Putts must be made from within 3 inches of the marked spot, no closer to the hole. The first ball to go into the hole is counted for the team score.
- If the ball you choose to play is in a hazard (sand, water, etc), the rough or out of bounds you cannot drop the ball outside of the hazard or rough, even if relief is within one club length away.
- Each team must use at least two of each team members tee shots. Mark the scorecard for each hole, indicating the team member's name whose drive was played.
- Threesomes are allowed an extra shot from each position. Members of a threesome must rotate turns taking the extra shot.
- Men tee off from the white tees, women tee off from the red tees.
- **TO SPEED PLAY** (all day) two putts allowed per green. Example: You're on the green in regulation and miss two putts. **DO NOT PUTT FOR BOGIE, TAKE BOGIE AS SCORE.**  
Exception: You're on the green in 2 on a par 5, you miss two putts. **DO PUTT FOR PAR.**

## Burt Process Giving

Celebrating more than 30 years of charitable giving. Burt Process Equipment is dedicated to supporting the health and well-being of children, seniors, and families through charitable efforts. Past donations provided support for organizations, including Toys for Tots, St. Jude's Children's Research Hospital, A Moment of Magic, and the Connecticut Children's Medical Center.

In 2006, our annual golf events began raising funds for the charity. In 2024, the Alzheimer's Association Connecticut Chapter was added as a new beneficiary. This year we extend our support to The Village as a second beneficiary.

Our 2025 tournament raised a record donation of \$55,000 for charity, totaling over \$225,000 in contributions to date.

Anyone wishing to make an additional direct monetary donation, please see Bill Elliott following the tournament to make arrangements.

---

## Donation Opportunities

### 50/50 Raffle

Tickets for the 50/50 raffle will be available throughout the day until immediately before the drawing during dinner. **Tickets will be sold on White Course Hole #14, Red Course #8, and Green Course Hole #18** during play; land it on the green after your purchase and **DOUBLE your tickets!**

### Buy The Tee Shot

Buy the Tee Shot and putt from 10'! \$20 covers your whole foursome. Available on White Course Hole #12, Red Course #6, and Green Course Hole #9. Can be purchased after your tee shots are made for Closest-To-Pin contest.

### Mulligans

Mulligans will be for sale in the morning prior to tee off. \$5 for one or \$20 for your foursome!

## PHX pH Plus Series pH Neutralization System

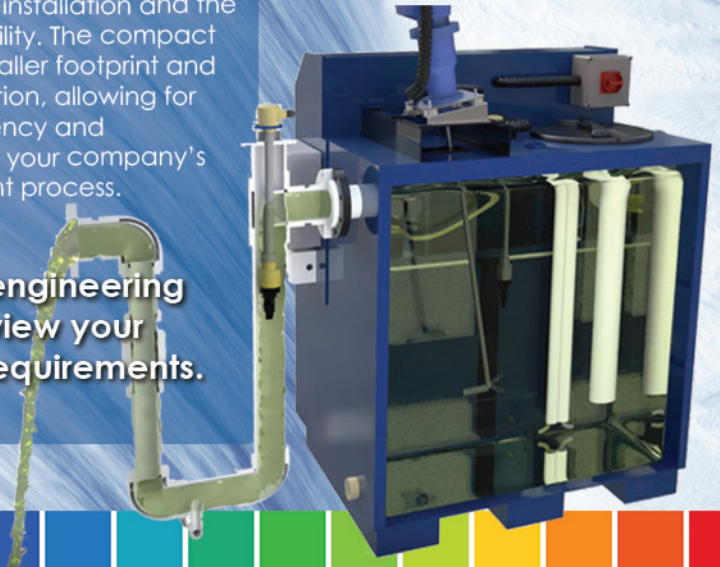

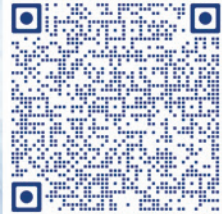

All-in-One  
pH Adjustment  
Solution

pH Adjustment Systems from Burt Process Equipment are custom-engineered, prepackaged, and fully integrated units designed for automatic pH neutralization and wastewater treatment.

They feature advanced instrumentation and controls for easy installation and the highest level of reliability. The compact design provides a smaller footprint and lower cost for installation, allowing for greater overall efficiency and cost-effectiveness for your company's wastewater treatment process.

Contact our engineering  
experts to review your  
application requirements.
