## W5130 3/8" 20V MID-TORQUE IMPACTOOL™

When Ingersoll Rand created the most powerful 1/2" cordless Impactool in the world, the W7150, it made a lot of big jobs easier. Now, our new W5130 3/8" cordless Impactool is making even more jobs easier with a compact design that's the right size to work in more places. And you'll have all the power you need to keep going job after job, thanks to the IQ<sup>V</sup>20 Series™ Battery Management System that powers our entire new line of hard-working cordless equipment.
