

TekTone® IH415LD

Desk Mount Housing for NC415AV Master Station

Description

The IH415LD Desk Mount Housing is designed to mount the NC415AV Master Station on a desktop or countertop, providing a stable, angled enclosure for convenient operation. It serves as an alternative to the IH415W Wall Mount Bracket for installations where a desk-mounted master station is preferred.

Features

- Provides a desk-mounted installation for the NC415AV Master Station
- Designed for countertop or desktop applications
- Offers an alternative to the IH415W Wall Mount Bracket
- Supports convenient operator access to the master station touchscreen
- Factory-designed accessory for TekTone nurse call systems

Applications

The IH415LD is intended for healthcare facilities requiring a desktop-mounted master station, including:

- Hospitals
- Skilled nursing facilities
- Assisted living facilities
- Rehabilitation centers
- Long-term care facilities

It is used wherever the NC415AV Master Station is installed at a nurses' station, reception desk, or monitoring location.

UL Listing Information

The IH415LD Desk Mount Housing does not have an independent UL listing. It is a mounting accessory intended for use with the NC415AV Master Station, which is listed as:

- UL® 1069 Listed – Hospital Signaling and Nurse Call Equipment
- UL® 2560 Listed – Emergency Call Systems
- cUL® Listed to CSA C22.2 No. 205
- UL File Number: E71599
- RoHS Compliant
